The Children's Hunger Project serves more than 2000 food packages every week at over 40 elementary schools. Our simple business plan is:

We see a hungry kid.

We buy food. We feed the kid.

The Sharing Center of Central Brevard provides over 100 bags of food (based on a family of 4 providing breakfast, lunch, and dinner for a 2 day period) per week to hungry children and their families. We currently partner with 9 elementary schools.
